Our Core Values

WE DELIVER

We do what we say when we said we would.

WE ARE POSITIVE & FUN

We build relationships that are positive and enriching.

WE ARE CONTINUALLY IMPROVING

We are only as good as what we accomplish today.

WE ARE CURIOUS

We want to learn more. We want to know how & why.

WE ARE DETERMINED

We push ourselves and workmates. We rest knowing that we couldn't have given more.

WE ARE PASSIONATE

We love what we do.

WE ARE HONEST

"The truth always returns to its rightful owner"

WE ARE RESPECTFUL

Each one of us is different; not better.

WE SOLVE PROBLEMS

We help our clients solve their problems. We understand that if we are not part of the solution we are part of the problem.

WE ARE HUMBLE

We are doing the best job we can do; we are not better than anyone else. We make mistakes. We put up our hand and admit it. We are always open to learn; regardless of how much we think we already know.

WE WOW

We deliver a product/service that surpasses expectations. We are creative. We are thorough.

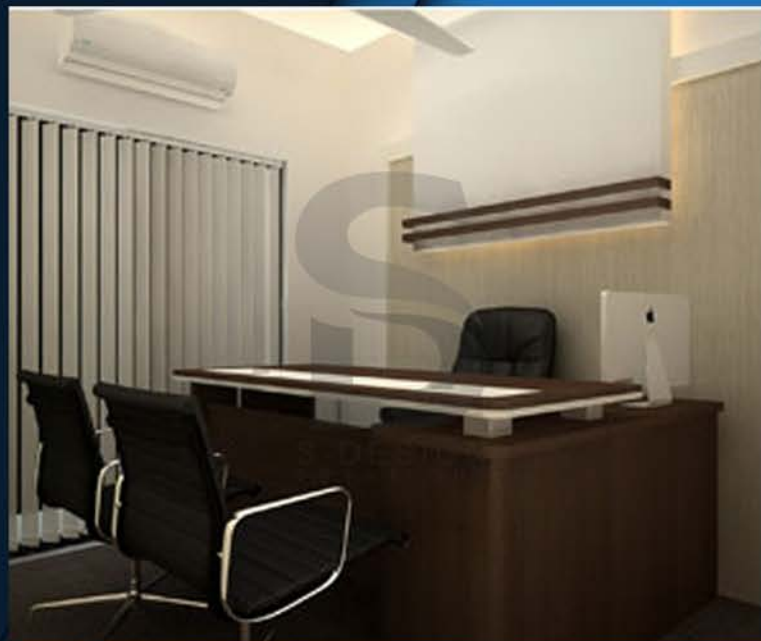

ABOUT US

S Design Solutions is an outsourcing partner backed by expertise in providing outsourced architectural design and drafting services. Our expertise includes end to end design support on all areas of construction documentation. We provide reliable, consistent, and high-quality results at competitive rates. The S Design team of engineers and architects have proven capabilities in Solid Works, Vector Works and more. Our 3D division, a recent addition, handcrafts photorealistic renderings, animated walkthroughs to name a few.
